Posted by Chifilly - 23 Apr 2012 08:27

Okay, so there's a Guild Wars 2 beta weekend this weekend (Friday 27th at 5am GMT (12pm PDT) until Sunday 29th at 4:59pm GMT (11:59pm PDT)) and I was wondering if anyone pre-ordered it and gets in by default, or anyone got invited who hasn't pre-ordered it? Would love to go round the game with you guys 😊
