

## Why did i get banned?????????

Posted by dark\_revoluti0n - 09 Mar 2013 17:04

---

☹️ i got on last night and everything was fine. Now that i got on this morning it says that im banned for 20 hours and 30 mins...

WHAT HAPPENED????????????

Well a lot of people fall into what I like to call my &quot;idiot trap&quot; which is basically not being able to follow the simple instructions laid out on the sign directly outside spawn saying &quot;DO NOT RAPE THE DESERT&quot;;, and anyone who can't follow these instructions gets banned for a day hoping they eventually realise that they should follow instructions. Simple as that ☹️
