I am making a competition for Team Fortress 2 and we need players!!

I will be handling one team, and we need another volunteerer to make the other team(s).

Come with ideas for improvement and for gods sake SIGN UP!

Rules of compo:

- Each team will have 5 players, and 1 reserve (optional)
- Map list: Badlands, Hydro or Well (all ctp)
- Class restrictions: 1 engineer, 1 sniper, 1 medic and 1 spy

Team Red:

Tollef

Leisn

VoGon

Team Blue:

Ps: Of course this compo will only be held if our masters/bosses/god's gift to earth will allow it. Probably needs the server shutted down and the maps up. We are all counting on you. 😊
