

## TWKGAMING CHRISTMAS COMPETITION 2009

Posted by DreamState - 15 Dec 2009 19:07

---

This post details the proposals for the TWK Christmas Competition 2009 that will happen around the 21st-23rd period (or potentially afterwards if required).

This is a fun competition **exclusively** for members of TWK only.

Please sign up below and put down a preferred date (we will try and aim for the date that most can attend).

The competition is split into **three** rounds covering **three** types of gameplay. GunGame, Deathmatch and our new Reverse Turbo GunGame (81.19.209.200:27150). All details will be posted below as we work them out.

The prize will be a steam game up to the value of £30. Not too bad we thinks 😊

The scoring may need to be worked out a little more before the date so the points system shown below is preliminary and subject to change with constructive feedback to make it fair. We are just too damn busy at the moment to get our heads around it properly!!!

### THE COMPETITION LAYOUT:

#### ROUND ONE: GunGame

*Classic GunGame action with a Christmas themed map.*

**The map:** gg\_oh\_christmas\_tree

**Gameplay:** Normal GunGame

**Scoring:** The player who wins will get 2 points. The top three players with the highest number of kills will get 5, 3 and 1 points respectively.

## ROUND TWO: Deathmatch

*Classic Deathmatch action on the standard dust2, only 'Christmasfied'.*

**The map:** de\_dust2\_xmas08

**Gameplay:** Deathmatch

**Weapons:** Pistols only (subject to change)

**Scoring:** The top three players with the highest number of kills will get 5, 3 and 1 points respectively.

**Limit:** 100 frags

## ROUND THREE: Reverse Turbo GunGame

*The final round will be interesting!! Reverse Turbo GunGame on glass\_fortress2. Expect a great deal of cursing ...*

**The map:** glass\_fortress2

**Gameplay:** Reverse Turbo GunGame

**Scoring:** The player who wins will get 2 points. The top three players with the highest number of kills will get 5, 3 and 1 points respectively.

## Rules of the competition:

**Firstly**, make sure you have ventrilo installed and working BEFORE the competition!!! Everyone must be on ventrilo.

**Secondly**, please make sure you have ALL the maps downloaded and working in advance.

**Finally**, play nicely and fair - this is a FUN competition so lets get into the spirit 🤪

General good sportsmanship should apply - no raging!!

**Good luck and have fun.**
