February Caption Competition
Posted by DreamState - 05 Feb 2010 14:18

_____

Ok, that time again.

The rules this time are simple.

1) Edit the image in any way you see fit.

or

2) Paste some text on the image to make a caption for it.

It doesn't need to look amazing - it's the idea that counts.

As always, if you upload the image to the forum you must click the image to fully view it.

THE IMAGE

onclick="window.open(this.href);return false;

Gd luck 😊
