

Sub Focus

Posted by Che ken - 10 Oct 2010 04:08

Recently got into my drum and bass music quite alot (blame my college mates 😊)
) and this is just something that iTunes came up with as 'something else you might like...'

Turns out I ****ing loved it! 😊

[youtube:34c5yd6z][youtube:34c5yd6z]

Trust me, it's SO much better on iTunes lol youtube quality fails even in HD
