

A damn good commercial!

Posted by Johannicus - 01 Apr 2011 10:26

This commercial is like a minimovie and so star filled you be surprised. Oh, and good too =)

That's a pretty good commercial!

That must cost a MINT if they're going to air that o.O

As far as I was aware it's £135,000 for 30 seconds of prime time haha xD

The start reminded me of GTA for some reason too :L
