

Peanut's Video :D

Posted by PeanutAlmighty - 08 Jun 2011 12:53

Sup guys, Me and some friends are working on a video on APB. I will give TWK a mention on the full game.

You play as criminals or enforcers.

Criminals fuck shit up.

Enforcers try to stop fucking shit up.

You get lots and lots of guns, and when you level up with them you get different attachments, you can add mods on yourself, you can get better slotted cars.

The customisation is insane, best I've ever seen.
