

Nero

Posted by Johannicus - 22 Aug 2011 20:14

I got a tips about the release of their new album yesterday. Today I have listened to it all day, its so damn good I thought I share some of it 🤔

Cant play the videos you posted:

"This video contains content from UMG. It is not available."

Sorryyyy 🤔

Finally they released a single so you should be able to hear this one:

Otherwise you can find the album on Spotify:

open.spotify.com/album/7mLdDLzH8tMpan5Xi8tzB3

In my opinion, Nero turned to shit :/

Well the only Nero track I like is Innocence 🤔
