ive been listening to both almost solidly for a month or so.

and do you know what i did then?

LOOOOL 😂

now that was just disturbing 😬

Just noticed :S

If gimp would say it it would be much more disturbing 😬

2 hotdogs, 1 bun? now thats what we call a party 🍔

I would but I'm on my laptop and don't have the details 😊

EDIT: NVM, I went in the server list, clicked "Servers with passwords" then typed "TWK" in the filters.. AND I GOTCHA! 🤪
