

Dubstep and DnB playlist! :D

Posted by Liquid Snake - 16 Oct 2011 15:39

Heya everybody might aswell share the playlist ive recently made 😊

www.youtube.com/playlist?list=PL0E4C8D23...&feature=mh lolz

in there you will find 2:45:12 hours worth of sheer epicness 😊

hope you guys enjoy it among them are my favorite songs 😊

P.S if you got any nice additions to it feel free to pass a link 😊

I know some of the songs 😊

Really awesome playlist im going to listen to all of it 🍷

Thankkkk you 😊

Edit: Would add

😊

I know you already have a version of this song, but I love this version! Seriously. Starts to get real good around 2:30, but still nice before that.

And:

And:

That's all for now....will get back to ya.

thanks hunter 😊
, must say I like the deadmau5 even though it contains skrillex just not a fan of skrillex at all. So i havnt added the third one but i added the first 2 they are well good 😊

Something to add maybe?

If you cant tell where the sampling is from in this one your too young 🤔
