

Torchwood: Children of Earth

Posted by Luckie - 08 Jul 2009 13:52

I do hope you have all been watching this fantastic epic mini-series.

Days one and two have been really good and it's looking like the next three will be even better.

Ooooo.....

Torchwood: Children of Earth - Day 5

One of the most shocking and distressing hours of television I have ever seen in my life.

Utter brilliance.
