

Who plays what?

Posted by Luckie - 22 Aug 2009 23:00

Well we all know that Greenie plays bass and I'm learning guitar. Anyone else play musical instruments or even sing? Who's in a band? Who wants to learn an instrument? Discuss.

Piano and synths mainly, and some time ago a double-bass. But my main interest is composition not performing.

I love to sing to songs, but that doesnt make my singing good 🤫

Maybe with a Vocoder, never tried it.. 🤫

I used to be able to play Violin, and the 5 string violin, but that was around 3-4 years ago.
