if u are really enjoying the song that u've JUST listened to, or are still enjoying it.

1.Artist

2.Name

3.Rough genre description

1 song. Max 1 link/song

No youtube spam, we can all google (some google thru yahoo, some google thru google  
) not uses bing tho

1.Filter

2.Soldiers of misfortune

3.Rock/metal, closer to rock

PS: id think the &quot;.... and music&quot; section would already have this thread, or i just didnt find it.

video is nothing special
