

You know Doom Metal?

Posted by VoGon - 16 Oct 2009 23:56

One of my all time favourite bands.

(Warning, very specific style of metal, not everyone's favourite, listen if you are in the mood of
"learning" something about some styles)

Kings of Doom Metal.

Candlemass

This is taken from Nightfall one of their concept albums. Its a story from beginning to end. Not usual nowadays and I miss it...

At the Gallows End

[youtube:91bjn41g][youtube:91bjn41g]

And from their first album "Epicus Doomicus Metallicus" without Messiah Marcolin as their
vocalist and Johan Lanquist as vocals
