

Fonts and Stuff

Posted by VooDoo - 10 Jun 2011 16:30

Ehm, well I like the fonts on this site and was wondering what the font is and where you guys got it from, and the font I mean is this one:

www.twkgaming.com/images/stories/logo.png

Thanks

Neither of us know 😊
If see if I can get hold of vogon or DS as they will know

i believe this is the font you are looking for:

imageshack.us/photo/my-images/691/fontyc.png/

if not, then it is the closest i could find 😊

omg 🤔
so creative 🤔

is it made with paint? 🤔
