Hi i tried to bring in a signature

and it comes back in a link =S

i want the image and behind the image a link to my stats =S how do i do this ?

this is the url :

http://www.twkgaming.com/hlstats/sig.php?player_id=183582&amp;background=random

Yeah, for some reason at some point the image randomly stopped working, so you won't be able to get the image (hopefully it will get fixed, but no-one brought it up until now 🙄)
