

## Teamspeak channel

Posted by Johannicus - 27 Oct 2011 15:22

---

Could we get a BF3 channel for our TS? Easier to see if someone is playing and those of us who do wont bother the rest 😊

Well, MP is amazing!! But SP is less crap than it could have been. But then again I have never finished any SP campaign in a Battlefield game before exept for the one in BC2. But thats because the serverbrowsing service was down so I had nothing to do for 5-6 hours.
